

Street Smarts Squad!

An inclusive Road Safety Adventure for Ages 7-13

Give your child the confidence and knowledge they need to navigate the world safely.

Over two 2-hour fun sessions, you will:

-  Become a Hazard Hunter: Learn to spot hidden dangers around parked cars, driveways, and busy intersections.
-  Master the Crosswalk: Understand the "Stop, Look, Listen, and Think" rule and how to use different types of crossings (like traffic lights and zebra stripes) safely.
-  Know Your Gear: Discover the essential safety equipment and rules for riding your bike or scooter, including proper helmet fitting and hand signals.

To support and ensure safety within the community, parents or caregivers are required for our community session.
