OCCUPATIONAL THERAPY

adding life to days

Meet Delilah

Clinic Dog at Joyful Journey OT

Welcome

Delilah is our friendly clinic dog who sometimes joins sessions at Joyful Journey OT. She can help children feel more relaxed, engaged, and confident during therapy. Delilah is a Toy Poodle, meaning that she is hypoallergenic.

Your Choice

- Interacting with Delilah is completely optional
- You can choose to:
 - Say hello only
 - Have her nearby
 - Join in activities with her
- You can **change your mind at any time**

Safety and Comfort

We make sure that:

- All interactions are safe and supervised
- Delilah is well-trained, healthy, and cared for
- We consider allergies, fears, and sensory needs
- Delilah is only involved when it is helpful for therapy

When is Delilah here?

Delilah attends on selected days and is always with a staff member.

Her availability may change depending on her wellbeing and staff member availability.

Let us Know What Works for You

If you:

- Prefer no contact with Delilah
- Have allergies or concerns
- Would like Delilah included in sessions

Please let us know. We will always respect your preferences.
